

70 Litre Waste Oil Suction, Drainer & Gravity Units

373100
EXTRACTOR-70

373600
EVACUATOR-70

373500
COMBO/70

373000
DRAINER/70

373400
COLLECTOR-70

373200
COLLECTOR-P/70

Part No.	Description
373100	EXTRACTOR-70 Mobile waste oil suction unit, 70 litre capacity. The unit includes a 10 litre transparent chamber that can be used as a vacuum reservoir and allows an immediate inspection of the waste oil sucked out.
373600	EVACUATOR-70 Mobile waste oil suction unit, 70 litre capacity. Ideal use with all types of passenger cars, trucks, tractors, aircrafts, boats, etc.
373500	COMBO-70 Combined waste oil suction and drainer unit, 70 litre capacity. Ideal use with all types of passenger cars, trucks, tractors, etc.
373000	DRAINER-70 Mobile waste oil unit, 70 litre capacity. The unit includes a 10 litre transparent chamber that can be used as a vacuum reservoir and allows an immediate inspection of waste oil sucked out.
373400	COLLECTOR-70 Mobile waste oil drainer, 70 litre capacity, low-pressure discharge. The unit is discharged through a discharge hose pressurising the tank at 0.5 bar with a tyre gauge. The unit includes a safety valve for avoiding overpressure of tank.
373200	COLLECTOR-P/70 Mobile waste oil drainer, 70 litre capacity, pump discharge. The unit is discharged through a 1:1 pressure ratio pump located at the back of the unit, through a discharge hose with a dry break quick coupler.
373300	COLLECTOR-C/70 Mobile waste oil drainer, 70 litre capacity. Unit includes a gravity drain at the bottom of the tank where a hydraulic dry break connector is fitted for discharging it using a discharge pump kit.

100 Litre Waste Oil Suction, Drainer & Gravity Units

Part No.	Description
372100 EXTRACTOR-100	EXTRACTOR-100 Mobile waste oil suction unit, 100 litre capacity. The unit includes a 10 litre transparent chamber that can be used as a vacuum reservoir and allows an immediate inspection of the waste oil sucked out.
372600 EVACUATOR-100	EVACUATOR-100 Mobile waste oil suction unit, 100 litre capacity. Ideal use with all types of passenger cars, trucks, tractors, aircrafts, boats, etc.
372500 COMBO-100	COMBO-100 Combined waste oil suction and drainer unit, 100 litre capacity. Ideal use with all types of passenger cars, trucks, tractors, etc.
372000 DRAINER-100	DRAINER-100 Mobile waste oil unit, 100 litre capacity. The unit includes a 10 litre transparent chamber that can be used as a vacuum reservoir and allows an immediate inspection of waste oil sucked out.
372400 COLLECTOR-100	COLLECTOR-100 Mobile waste oil drainer, 100 litre capacity, low-pressure discharge. The unit is discharged through a discharge hose pressurising the tank at 0.5 bar with a tyre gauge. The unit includes a safety valve for avoiding overpressure of tank.
372200 COLLECTOR-P/100	COLLECTOR-P/100 Mobile waste oil drainer, 100 litre capacity, pump discharge. The unit is discharged through a 1:1 pressure ratio pump located at the back of the unit, through a discharge hose with a dry break quick coupler.
372300 (372301)	COLLECTOR-C/100 Mobile waste oil drainer, 100 litre capacity. Unit includes a gravity drain at the bottom of the tank where a hydraulic dry break connector is fitted for discharging it using a discharge pump kit.
